CLINTON SCHLOSSER | FRONT END WEB DEVELOPER

Henry, IL 61537 | +309-238-1714 | ckschlosser13@gmail.com

PROFESSIONAL EXPERIENCE

Freelance | May 2022 - Present

- Helped update a tech recruiting website, Re-Factor, by improving the HTML, CSS, and **Javascript ES6**.
- Developed custom websites using **Svelte,** HTML5/CSS3, and JavaScript such as my website portfolio.
- Used **React** to develop applications to showcase my experience using API's, databases, and responsive design.

ABOUT ME

I am a creative, driven front-end engineer with a talent of quickly developing refined solutions to problems. I completed my **Masters of Science** in **Sports Administration** from Eastern Illinois University in a quick 5 years. With the same drive and spirit of excellence, I am passionate about enticing and functional web applications.

Focused on being a valuable part of any team I am on and believe in the team succeeding together. In my years of experience with building web applications, I have learned many new skills and I come with the same attitude and hunger for learning to add to my years of experience.

RELEVANT PROJECTS

Movie API Website

- Built this movie website when fetches movie data and displays the custom movie cards according to genre or name of the movie. GitHub Repo Here.

Discord Clone

- Built this clone website of Discord, to showcase my attention to detail.
- Fully functional and responsive developed with React, Tailwind CSS, and JavaScript. GitHub Rep Here.
